Muzrai Secretary's Remarks:-

More than one person was appointed as the Archak of the Rameswara temple at Magadi since the dismissal of Kumara Deekshit, but they have all since left and the institution is left without worship being performed. The Deputy Commissioner recommends the reappointment of Kumara Deekshit (who he says, has improved in his conduct) ontrial for one year, or if that proposal is not approved, that his nominee Muddappa Deekshita may be appointed.

The past history of Kumara Deekshita as regards his moral conduct has been very bad and he was also instrumental in alienating the temple lands and pledging the temple jewels. It seems therefore undesirable in the interests of discipline to appoint him again as the Archak of the temple. As --- there is no other way for arranging the worship in the temple his nominee Muddappa Deekshit may be appointed Archak temporarily on trial for one year,

Sir,

With reference to his Official memo No. 256 of 18. July 1906, forwarding for report petition from the residents of Nagadi regarding the performance of puja of the Sri Kote Rameswara Swami temple at Nagadi on the Saivagama system, I have the honor to state that owing to the difficulty of procuring the Archaks of Saivagama system

the Asste. Commissioner, Closepet Sub division, solicited sanction for the performance of the puja in Vaideekagama manner and accordingly permission was sought for in this Office Rakkari N°. 312 of 9th December 1905 which was accorded in Govt. Pro. N° 3349 of 16th February 1906. The order was duly communicated to the Taluk for information and guidance. The Asste. Commissioner now reports that the devotees are not willing to have the worship on the Saivagama system which was in vogue for a considerable long period, now changed into Vaideeka-gama system and requests that permission may be kindly granted to revive the old system alone.

Further one Ramadeekshatha conversant with both systems is now reported to be happily available. He is willing to do the puja service if he is appointed permanently.

2. Under these circumstances, I request your sanction to the revival of the Saivagama puja and the appointment of Rama deekshetha as the Archak of the temple

3. A sum of Rs. 100/- is requested to be sanctioned for defraying the necessary Samprokshana expenses. The amount asked for appears to be rather high. The Amildar has not reported what was realized from the temple lands during the last two years. The particulars are called for from him. I request

that sanction may be accorded to defray the necessary expenses but not exceeding the realizations from the Dhan lands during the period of attachment

4 The enclosures received with the above are resubmitted.

I have the honor to be,
Sir,

Sir, With reference to the marginally noted communication, regarding the archakship of Sri Kote Rameswara swami temple at Magady, I have the honor to state that since the dismissal of Ramadeekshita from service three persons namely Sadasiva Deekshita, Subrahmanya Deekshita and Ramadeekshita were appointed, one after another as archaks and

No 4253 dated 2nd March 1907
No 5355 dated 16th May 1907

and the Government were also
kind enough to convey sanction
for the proposals made by this
Office from time to time. These
persons not being the natives
of the place failed to settle
themselves at Mayady. Thus
the worship has been entirely stopped
for the last four years for want
of a proper man. Now Mr. C. Devaraj
urs, Assistant Commissioner
in charge of the Taluk, to whom
Komara Deekshita's petition (re-
-ceived with your No. 4253 dated
3rd March 1907) was forwarded
for enquiry and report, states
in his No. 1803 dated 2nd May 1907,
that the behaviour of Komara-
-Deekshita has of late quite changed
from what it was before and
that he has been keeping a good
character. Considering

circumstances into which Komara Deekshita has been thrown by his dismissal from the Archakship and the punishment he has thus undergone for the last 7 years by being kept out of employment, he (the Divisional Officer) recommends that either Komara Deekshita or any other man on his behalf may be appointed for the post. He also states that though the previous records go against Komara Deekshita yet under the present circumstances he is in favor of giving him a trial. From the report of the Amildar, it will be seen that no persons of this community are available at the place and that there is no use of appointing outsiders as there is very little chance of their settling in the place and perform the worship without interruption. The institution

is an ancient and important one.

2. Under the above circumstances, I beg to support the recommendation of the Assistant Commissioner that Komara-Deekshita may be given an opportunity and placed in charge of the temple, on trial for one year and his confirmation being considered after that period. If, however, the Government consider this step as inexpedient one Muddappa Dikshit, a relation of Komara Deekshit may be appointed as

Order thereon no

More than one person
was appointed as the Archak
of the Sri Rameswara temple
at Nagari since the dismissal
of Kumara Deekshitha, but
they have all since left,
and the institution is left
without worship being performed therein

The Govt. observe that the
past history of Kumara Deekshith
as regards his moral conduct
has been very bad and he
was also instrumental in
alienating the temple lands

~~They~~ They therefore consider it undesirable in the interests of discipline to appoint him again as the Archak of the temple
